EDITORIAL

Well... It's time to write another editorial. I'll have to make it quick, though, since the deadline is near and my computer is making wierd noises again...

This month's newsletter features more of what GOSPYAN's know and love, with plenty of information and a few special features. In order, however, to continue this effort, the GOSPYA Editors are very much in need of more feature articles, Gospyan news and o*hter contributions (or a creativity transplant). I know we have said this before, but we really mean it this time!

In the meantime, sit back, read, and enjoy this month's edition of Gospyan News...

PRESIDENT'S REPORT

YVONNE CAYAS

HELLO to all GOSPYANs. Although it is very cold, I sit here, my fingers frozen to bring to you this report.

The year so far has been a successful one for GOSPYA with the Greek Youth supporting our social functions and also supporting and participating in the social and spiritual side of GOSPYA.

On the social scene, GOSPYA recently held two very successful functions. Our FRIDAY's DOCKSIDE Night was well supported by all youth and was enjoyed by all. More recently, our ~~Fashion Parade~~ Sunday 16th July, was a GREAT success with well over 200 youth and parents together enjoying a spectacular show of winter fashions and modelling talents of GOSPYAN members. I'd like to take this opportunity to thank those parents who supported GOSPYA to help make our fashion parade very successful.

Above all, I'd like to thank the models:

KATRINA SKLAVOS
JENNY SCLAVOS
CHRIS ANNE CALLOS
JOANNE CALLOS

CON CAYAS
THEO CONDOLEON
MICHAEL HATZIFOTIS
MANUEL STATHIS

Two very important people must also be thanked. Thankyou Fiona Zouppas and Zam Pavlakis (GOSPYA chairpersons) for your dedication and hard work in preparing for the fashion parade. Your work was appreciated by all. Thank you.

I also thank the people behind the scenes, for whom without their help the parade would not have been possible. Thankyou again.

Coming up: GOSPYA along with the four youth groups -PYA, GOYA, CYPRIOT and OLYMPIC will be holding a combined function for that annual mid-week function (the eve before People's Day holiday - in another word EKKA HOLIDAY) on 15th August. Look out for details and advertising for an evening that will be out of this world.

But don't forget that GOSPYA also has Fellowship on every second Friday night at the GOSP centre (look to the back of newsletter for dates). We're getting a great turn out, so if you haven't been coming to share in spiritual and enjoyable discussion come along and join in.

Girls and Guys don't forget GOSPYA'S Annual Debutante Ball! Practices have started but it's not too late to become part of a spectacular event not only enjoyed by all the debutantes and their escorts but all those who come and join the debs, their partners and families for a wonderful evening. For further details and bookings, contact Fiona and Zam.

Finally, I'd like to wish all those back to studying, for the final semester of 1989. GOOD LUCK, for the semester and the up coming exams. Also, hoping the winter doesn't get colder.

Yours with frozen fingers,

YVONNE....

JUST A QUICK WORD

NO MATTER WHAT YOUTH GROUP IS HAVING A TAVERNA NIGHT, WE FEEL IT IS IMPORTANT THAT YOU TRY TO ATTEND. AS WE HAVE DISCOVERED FROM GOING TO OTHER ASSOCIATIONS FUNCTIONS AND HAVING A BALL, THE AMOUNT OF UNFAMILIAR FACES YOU SEE. SURE YOU CAN'T KNOW EVERYONE, BUT WHY NOT TRY!! WE WOULD LIKE TO ENCOURAGE AS MANY OF OUR MEMBERS AS POSSIBLE, WHO ALREADY DON'T, TO ATTEND THESE FUNCTIONS AND IN RETURN MEMBERS OF OTHER ASSOCIATIONS WILL ATTEND OURS.

SEE YOU AT THE BALL!!

ZAM AND FIONA

HI ya folks! Welcome to another interesting wrap-up of the all famous Sports Reports. I hope you're all wrapped up in those winter woolies as Peter and I take you to the arena of action in this month's Sports udate.

SOCCER

What a season!! Gospya is near the top of the ladder and in great contention of taking first place. The action has been superb and highlights include last week's mighty game against St Pauls. The score was settled when Gospya won 5-2.

Great goals have been scored by many-a-players including Backo James, Wally Sclavos, (especially when an impression was made from reserve bench), volleyball Pippas, Artie, Worm, etc... Mystery playing appeared and dissappeared and even though there were some injuries. "Striker's" gone to those great white slopes of snow down south Gospya has endured. So show your support at Clevo 3.00pm Sat. 30th.

VOLLEYBALL

Volleyball has put "purpose" back into those Monday nights just when you thought the weekend was over - here come Monday nights to give you companionship, fun, excitement, food at Hungry Jack's and let's not forget last but not least fitness!! Oh boy, the support has been auspicious, especially during holiday break. Great thanks must go to ex-Pres. Nick Pippas who started the whole thing. (We've had enough people to hold a Taverna Night!!!).

BASKETBALL

Mens 3 has had quite a few wins in past games but due to bad luck and injuries, the team has dropped back to 5th position. Keep that spirit up boys! - soon you'll be as good as the netball players hey Pete?! (I could see some of you in skirts!!).

Mens 7 are tied in Second Place - due to brilliant play and great action in last week's game against United with a Final Score of 45-38!! GOOD ONE! SUPPORT however is needed (as I have been told) this is the inspiration needed to get maximum points on the board!! Injuries have been a minor set back but hard training has relieved the pressure and Gospya's Greek play and great Guard work has been rewarded. Up the mighty BLUES!!!

NETBALL

Well Girls what can I say. Remember having fun was our main priority. Netball hasn't brought too many wins but hey - injuries, absenteesm and numerous other nitty-gritties have gotten in the way of victory. Great defence by Sophios, Chris and Cathy. Great balance and shooting by Ferenikki and the odd one or two by Sclavos. Centre play by Kylie has set determination and the Conomos connection was inspiring until European holidays came up.

SPORTS REPORT continued...

Gospya 1 however, is doing much better by they're odd one or two or three wins. Good on ya girls. Kaloutsis in with Constantinos has brought many a great victory. Good luck for your following games. Please contact Jenny Sclavos on 343 1948 if anyone is interested in indoor netball. P.S. Thanks for the support boys.....

JIMMY CONNORS...EAT YOUR HEART OUT!!!!!!!!!!!!!!

FELLOWSHIP REPORT

ANDREW SAMIOS

It's been a long time.... But we're back with so much Euphoria and excitement that nothing can stop us. NOW THAT I'VE GOT YOUR ATTENTION.....I'd just like to let you know that our attendance has been good over the last couple of months and would still like to encourage you to attend Fellowship. We were lucky enough to be blessed with the presence of Father Con Varipatis who spoke to us about the creation. We would like to thank Father Varipatis for taking the time to speak to us and enlighten our thoughts. Your time was greatly appreciated.

Don't forget Fellowship every second Friday, beginning with this Friday 28th July, and come and support your Youth Association's Fellowship group. See you there!!!!

From,
ANDREW AND TERRY
